FAMILY WORSHIP SUNDAYS

It is important for kids to spend time in worship with adults, that's how they learn. Parents relax! God put the wiggle in children; don't feel you have to suppress it in God's house:)

To make your Family Worship experience more enjoyable, talk to your children before family worship about your expectations, what they are able to do, and ask them to help prepare their worship bag with quiet activities. Sit toward the front where it is easier to see and hear, and if you have to leave for a minute feel free...just be sure to come back!

BIBLE VERSE:

You shall fear only the LORD your God; and you shall worship Him...Deuteronomy 6:13
God is Spirit, and those who worship Him must worship in spirit and truth." John 4:24

BEELINE TO JESUS:

Jesus taught us to worship in spirit and truth. When we follow his teachings and accept his forgiveness we can experience the kingdom of heaven on earth and eternally with God.

PRAYER:

Dear Lord, Thank you for the freedom and opportunity to worship YOU! Amen

FAITH TALKS:

Pepper your faith throughout the day or week.

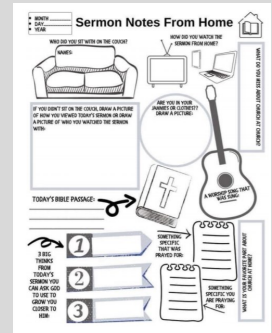

- How do we worship God?
- What are some things people do in church?
- What are some things I CAN DO in worship?
- Who are these things for?
- Why do we worship God?

Instagram We love to see pics of your family doing 'church' or peppering your faith at home. Tag @vpccchildren & watch our instagram for encouragement and updates throughout the week!
